

THERE 'S A GOLD MINE IN THE SKY

Recorded by Gene Autry

Written by Nick Kenny and Charles Kenny

[D] [D7] [G]
There's a Gold mine in the sky, far a- way
[D] [A]
We will find it, you and I, some sweet day
[D] [D7] [G]
There'll be Clover just for you, down the line
[D] [A] [A7] [D]
Where the skies are always Blue, pal of mine.

[G] [D]
Take your time, old mule, I know you're growin' lame
[D7]
But you'll pasture in the stars
[E] [E7] [A]
When we strike that claim
[D] [D7] [G]
And we'll sit up there and watch the world roll by
[D] [A] [D]
When we find that long lost Gold mine in the sky.

[G] [D]
Far a-way, far a-way
[D7] [E] [A]
We will find that long lost Gold mine some sweet day
[D] [D7] [G]
And we'll say hello to friends who said good-bye
[D] [A] [G]
When we find that long lost Gold mine in the sky.
