When we first saw "Move Over Mrs Markham" about 4 years ago in Sydney, starring Honor Blackman (of 'The Avengers' fame) I said, "One day we'll present "Mrs Markham" for Wyong," altho' howled down at the time, I have never wavered in my desire to present this extremely funny play. It was only at the end of last year that it was "released" for amateurs. When you see the Production tonight, you will appreciate that there have been some pretty wild rehearsals!!

A tremendous cast and stage crew have made my job much easier, they have lived up to the most important name in theatre, namely, "TROUPEERS".

We hope we can help you to 'escape' for one night, from inflation, price freezing and personal worries, joining us in the fun and naughty nonsense of the Play.
