

# Soulmates

By David Williamson

## CREW WANTED!

Wyong Drama Group Inc. invite expressions of interest from individuals wishing to fill the following positions within the stage crew of their APRIL 2007 production - David Williamson's 'Soulmates'.

Katie Best, ex-pat Australian 'Chick Lit' Queen, writes best selling novels filled with urbanely glamorous people and their elaborate love lives. When Katie receives a damning review from Danny (who despises her clichéd "soap operas on the page") she vows to take revenge. The result is an hilarious mix of intrigue, jealousy and romance... just like one of Katie's own novels!

David Williamson applies his merciless humour to the literary world in a play about the slippery business of books, writers and the readers who love them.
