

Julie Bailey

This is Julie's thirteenth year with WDG. She has played an enormous variety of roles from a blind woman in *Wait Until Dark*, an Aussie Mum in *The One Day of the Year*, to an Air Hostess in *Boeing Boeing*. From Marge in *Hotel Sorrento*, to Renee in *The Odd Couple*.

Peter Kocan

Peter has been active with WDG since 1978. He has appeared in many productions from *Cinderella* to *No Sex Please, We're British* to *Macbeth*. He is the author of several one-act comedies for which the group has received numerous awards

Bonnie Bryant

Bonnie was absolutely thrilled when Howard asked her to co-direct the play. This is the third time she has produced the play for WDG, and it always brings back loads of happy memories. It was her first play as director, in 1967, revisited in 1987 and it's now a great play with which to end 1999.
